

At the League Feb. meeting, when the officers of the League were elected, many things were proposed and agreed upon by all members present. One of these was the installation of streamline bases all at night.

That is a feature which will draw many people to our games as it will allow them to get home at a decent hour. Kindly see that it is enforced.

Again we at this time have but one regularly employed League umpire Mr. Fred McCrary. From all reports M. McCrary is doing a good job.

Mr. Ed. Gottlieb is using other umpires in the East, such as Forbes in Newark, Crump in Phila. Phila., and Newark, and Cockrell in Phila. There have been no kicks so far on any of these men.

In Pgh., Mo Harris and Bill Harris are being used, satisfactorily so far.

We have much less expense by this plan and the umpires used were all voted as alternate umpires at the Feb. meeting. If any member does not wish this plan to continue at least until the June schedule meeting, a letter to Mr. Gottlieb, who has charge of umpires, citing your objections will rectify it.

President Tom Wilson has suggested that these various items be brought to your attention. It was also passed unanimously that each club pay their month's dues in advance. May dues were due not later than May 10th. Our Treasurer states no club has lived up to this. There must be a start made to enforce this. Therefore as Corresponding Secretary and one of the Grays owners, I am taking the liberty of stating the approximate financial status of each club.

We must remember that Western Clubs are allowed a part of their transportation to meetings. These clubs are not allowed this transportation when their clubs are playing in the East during the League season.

Using the League schedule as a basis, the way I figure the amounts is as follows,- this does not include transportation of umpires which can be ironed out when the home club deducts the amount due the League from the visiting club.-

#### Grays

May 13-	\$10.00	Trans. of Mo Harris to Toledo
26-	5.00	Grays vs Phila. Mo Harris
27-	5.00	*****
	\$20.00	To be carried over to next page.
